

Java Introduction

What is Java?

Java is a high-level, object-oriented programming language used to build desktop, web, mobile, and enterprise applications.

Key Features

1. Object-oriented
2. Platform independent
3. Secure
4. Robust
5. Beginner friendly

Basic Java Program

```
public class Main {  
    public static void main(String[] args) {  
        System.out.println("Hello Java");  
    }  
}
```
